AP EXAMS AND SCORES

Grade 12 AP exams are written in May at a student's home school.

The exams are administered by the College Board.

A student's final mark is reported on a 5 point scale and submission of results to universities is up to the discretion of the student.

Most universities have an AP credit policy that states if a student scores a 4 or 5 on a 5 point scale, a University credit may be granted.

The cost to write a Grade 12 AP exam is \$140.

It is not mandatory for students to write Grade 12 AP exams.
